## Class: “2<sup>nd</sup> steps with computers”

Learn how your computer can improve your autonomy in daily life - write letters like a pro using AI tools, use cloud services and video conferencing (MS Teams), combine smartphone and computer, and manage your passwords.

### Registration:

To register for this course, please send an email to [registration@digital-inclusion.lu](mailto:registration@digital-inclusion.lu) with the following information:

- Name and language of the course
- Your full name
- Your social security number (“matricule”)

## Class : “MyGuichet & online services in Luxembourg”

Learn how to use digital services in Luxembourg safely and effectively in your daily life, including MyGuichet, LuxTrust, health online, mobility, and more. Ideal for those new to the country or needing guidance on administrative procedures.

### Registration:

To register for this course, please send an email to [registration@digital-inclusion.lu](mailto:registration@digital-inclusion.lu) with the following information:

- Name and language of the course
- Your full name
- Your social security number (“matricule”)

## Class: “1<sup>st</sup> steps with computers”

In this class you learn how to get started with a computer. We will teach the basics of computer use, including Windows, email (even to create an account if necessary) and basic Internet services, like finding information online.   

### Registration:

- Prior knowledge nor registration via email are needed (first come, first served) - we will create an email address for students in our class, or help use an existing one on any computer!
