2024 CLASSES

Class: “1st steps with computers”

In this class you learn how to get started with a computer. We will teach the basics of computer use, including Windows, email (even to create an account if necessary) and basic Internet services, like finding information online.   

Registration:

- Prior knowledge nor registration via email are needed (first come, first served) - we will create an email address for students in our class, or help use an existing one on any computer!
